DESCRIPTION OF NATURE OF BUILDING SEWER LINE INSTALLATION:

In consideration of the granting of this Permit, the undersigned, intending to be legally bound acknowledges and agrees:

1. To accept and abide by provisions of existing Township ordinances and regulations of the East Union Township Sewer Authority, and regulations and/ordinances that may be adopted in the future.
2. The Applicant/Property Owner is solely responsible for the maintenance of the building sewer line. It is the Property Owner's to review any easements/right-of-ways on the property.
3. All proposed work will be performed by the property owner or a contractor/plumber.
4. All work under the permit must be inspected, and approved by the East Union Township Sewer Inspector. A 48 hour notification is required.

All Fees Must Be Paid at Time of Application
