Number of Bathrooms: Half _____ Full _____ Number of EDU Units _____

The name and address of the person or firm who will actually make the sewer tap is:

In consideration of the granting of this Permit, the undersigned, intending to be legally bound acknowledges and agrees.

1. Sewer is only available on a first-come, first-serve basis. Sewer Permits shall mirror permitting period established for Building Permits by East Union Township. When a Township Building Permit becomes invalid, the applicant must reapply for sewer permit in conjunction with a new Building Permit
2. To accept and abide by all provisions of existing Township ordinances and regulations of the East Union Township Municipal Authority, and regulations and/or ordinances that may be adopted in the future.
3. The Applicant/Property Owner is solely responsible for the maintenance of the building sewer line and service lateral. It is the Property Owner's responsibility to review any easements/rights-of-ways on the property.
4. I understand it is illegal for any building floor drain, sump pump or any device permitting storm water, water table or surface water to enter the sewer system. Violation of these Ordinances could result in a fine or assessment.
5. No lateral can be covered before being satisfactorily inspected, and approved by East Union Township Sewer Authority Inspector. A 48 hour notification is required.
6. Failure to obtain a Building Permit within 60 days of the Sewer Permit issuance will automatically result in a revocation of the Sewer Permit.
7. All connection and inspector fees must be paid at time of application submission. For fees please contact East Union Township Sewer Authority 570-384-3125.
